5 of New Jersey:

6

7 1. a. The Attorney General shall establish a “Blue Alert  
8 System” which shall provide a Statewide system for the rapid  
9 dissemination of information in order to facilitate the apprehension  
10 of persons suspected of killing or seriously injuring law  
11 enforcement officers and to aid in the location of missing law  
12 enforcement officers. The program shall be a voluntary,  
13 cooperative effort between State and local law enforcement

15 and television media outlets.

16 b. The Attorney General shall notify the media serving the  
17 State of New Jersey of the establishment of the Blue Alert System,  
18 and invite their voluntary participation.

21 agency” means a law enforcement agency that is conducting an  
22 investigation to apprehend a person suspected of seriously injuring  
23 or killing a law enforcement officer, or is investigating the  
24 disappearance of a law enforcement officer who went missing while  
25 on duty under circumstances that warrant concern for the officer’s  
26 safety.

31 suspect has not been apprehended, or that a law enforcement officer  
32 is missing while on duty under circumstances warranting concern  
33 for the law enforcement officer’s safety;

34 (2) there is sufficient descriptive information about the person  
35 suspected of seriously injuring or killing a law enforcement officer  
36 or the circumstances surrounding a law enforcement officer’s  
37 serious injury, death, or disappearance indicate that the activation of  
38 a Blue Alert may assist in locating a suspect or missing law  
39 enforcement officer; and

40 (3) the lead law enforcement agency requests that a Blue Alert  
41 be initiated.

42 c. Nothing in this section shall require that a Blue Alert be  
43 initiated if the criteria under paragraphs (1) and (2) of subsection b.
