3. Project: RPR 71-01, Block: 14, Lot: 12.01, Parsippany-Troy Hills Township, Morris County

Requesting Party: On November 23, 1971 the State House Commission approved the sale of

a 1.0 (+-) acre parcel of land to the Township of Parsippany-Troy Hills for the construction

of a fire station. The Commission approved the conveyance for \$6,000 on the condition that a reverter clause be included in the deed. The reverter clause stated that the property must be used for the purpose of maintaining fire-fighting facilities.

Terms: The Township of Parsippany-Troy Hills is seeking the Commission's approval to have the reverter clause in the deed removed so that the property can be sold and the proceeds from this sale be used to renovate its aging and deteriorating firehouse. There is an urgent need to raise the capital needed for said renovations in order to provide necessary, lifesaving fire-fighting services to the community.

4. Project: Keyport Waterfront Park (formerly American Legion Drive and Unnamed Waterfront Parkland), Block: 21.01, Part of Lots: 49 and 50, Borough of Keyport, Monmouth County

Requesting Party: On December 15, 2003, the State House Commission approved a request by the NJDEP on behalf of the Borough of Keyport, to allow the Borough to realign a segment of American Legion Drive within an unnamed waterfront park (now known as Keyport Waterfront Park) in order to maximize shoreline, pedestrian and vehicular safety and to improve the overall function of the future park development. At the time of the approval, the Borough estimated the disposal area as 1.0 acre and the proposed replacement land as 1.02 acres. After construction, the

Borough developed an "as-built" survey which more precisely delineated the disposal and compensation areas. As a result, the total area of disposal was determined to be 1.219 acres. The compensation lands were also under reported; the accurate compensation lands figure is 1.221 acres.

Terms: The NJDEP now requests to amend the original approval to correct the acreage of the disposal area and compensation land. This amended approval will enable the Borough to renumber the proposed block/lot of this area in connection with a planned major subdivision to clearly delineate the new American Legion Drive right-of-way, disposed areas to the south of American Legion drive and Keyport Waterfront Park to the north of American Legion Drive.

access easements with the neighboring property owners, Deirdre and Michael Kravec and Kathleen Wyckoff. On March 16, 2015 the State House Commission approved a request by the NJDEP/Division of Fish and Wildlife, to formalize access to a landlocked parcel adjacent to the Capoolong Creek Wildlife Management Area in the Township of Franklin, Hunterdon County by executing an access easement with the neighboring property owners, Deirdre and Michael Kravec. Subsequent to that approval, the NJDEP discovered that Kathleen Wyckoff, the owner of Block 26, Lot 6, was also a party in interest for this transaction. The NJDEP now seeks to amend the original approval to include access across a portion of the State-owned driveway (not including the bridge) to provide legal access to the rear of Kathleen Wyckoff's property.

Terms: In exchange, Mrs. Wyckoff will quitclaim all rights that she may hold in the

underlying fee for the driveway and the bridge to the NJDEP (approximately 0.05 acre.)

The quitclaim will allow the NJDEP to convey a driveway access easement to the Kravecs

as originally approved. Mrs. Wyckoff will also convey to the NJDEP a small sliver of land

approximately (0.10 acre) located between Capoolong Creek and the Capoolong Creek

Wildlife Management Area as an addition to the WMA. This land is currently an inholding

in the WMA and the conveyance will eliminate any ownership confusion on the WMA side

of the Capoolong Creek. NJDEP will also provide to Mrs. Wyckoff a limited duration,

pedestrian-only access over the bridge through her lifetime or as long as she is in residence

at 387 Pittstown Road.
